History of the Institution	<p>Lord Krishna College of Education has been established by Shree Krishna Educational Trust, Yamunanagar in the year 2006 with the well defined motive of serving the people of Haryana through the cause of Teacher-Education. LKCE stands out as a unique institute of education for its distinct innovative training methods with a humanistic approach to groom the student-teacher to be multiskilled and effective in their noble, yet challenging task of teaching. Its thrust is promotion of excellence in Teacher-Education through personal care and individual guidance. The LKCE is well established co-educational institution situated in a calm beautiful natural surroundings at Shahabad-Barara main road. The college campus is ornamented with lush green lawns, flower beds and rare distinct vegetation. The building of the college is a living example of good architecture. There are enough transport facilities to and from Shahabad, Yamunanagar, Ambala and Kurukshetra by Buses and Trains.</p>
Vision Statement	Bringing out the best in humans through quality teacher education in global perspective
Mission and Objectives	<p>Serving the humanity. To prepare the teachers capable of responding to the global social demands and meeting the challenges in Education. To rejuvenate the teaching - learning process with ICT and value imbedded education in the context of modernization and social change. To address to the ever emerging issues and problems of school and teacher education and discover the remedial measures. To ensure the contribution of all stakeholders in the all pervasive sustainable development of the society. To recognize, promote and develop the capabilities and universal values in the student teachers needed for cohesion and welfare of society and nation. To make aware, inspire and enable the student teachers to integrate the ICT with ancient Indian educational philosophy for a quality academic environment. To stimulate, educate and enable the student teachers for excellence in teaching, learning, research and innovation. To develop attitude, competence and core skills, essential to teaching learning process among the student teachers. To encourage the student teachers to derive an everlasting capacity of realizing and executing their roles and responsibilities in learner's holistic development. To provide an enthusiastic, motivating, inspiring and equally accessible teaching - learning environment, conducive to the professional growth of teacher educators and student teachers. To invent, adopt and practice the knowledge of ICT for teaching, learning and training of student teachers to meet the emerging issues, needs and problems of the school education system in global context.</p>
